

BELIEF STATEMENT

Springville-Griffith Institute will be taking teaching and learning “Above and Beyond” by embracing the guiding principles of communication, collaboration, critical thinking, creativity and community.

Communication: sharing thoughts, questions, ideas and solutions

Collaboration: working together to reach a goal, putting talent, expertise and smarts to work

Critical Thinking: looking at problems in a new way, linking learning across subjects and disciplines

Creativity: trying new approaches to get things done equals innovation and invention

Community: involving all stakeholder groups for guidance and support
